LAWRENCIAN

Published by the students
of Lawrence High School
Cedarhurst, New York

1968

A melange — a whirlpool of loves, hates, hopes, letdowns; a rapid swirl of scattered incidents (cheering for our team, the first frightening realization of the impending future, the boastful swagger in the halls, the laziness that's different from last year's); a spectrum of transient colors remains imprinted on our memories. Sometimes feeling alone, worried, and undefined, trying to suppress an omnipresent urge to half cry and half shout, we question our lives, actions, hang-ups. Yet there's a sort of restless anticipation underneath everything that makes us want to move forward and face tomorrow — the anticipation and excitement that compose senior spirit.

Mr. Louis Fleming

The student body and faculty of Lawrence High School wishes to extend their thanks to Mr. Louis Fleming, teacher of the auto shop for the 26 years of dedicated service which he has rendered to Lawrence. The results of his good works and valuable knowledge have been felt and deeply appreciated by vocational students at Lawrence for many years.

His plans for the future include fishing and boating, for he says, "This will be no rocking chair retirement." Mr. Fleming also believes that Lawrence High has one of the finest auto shops in New York State.

IN MEMORIAM

MRS. JOANNE KOEHLER

Students' comments on the late Mrs. Koehler:

"She was the best guidance counselor Lawrence ever had . . ."

"She was not only my guidance counselor, she was also my friend . . ."

"She was one of the few people who really cared . . ."

"Her deep understanding and kindness will always be remembered by the students of Lawrence High . . ."

"Lawrence lost more than just a guidance counselor when Mrs. Koehler passed on . . ."

JANET POLIVY - Valedictorian

As seen by others:
 —She's so deep—there's so much to her
 —Her intelligence is almost overpowered by her sincerity
 —She's so creative that sometimes I feel lost
 —She's so quiet—she won't talk unless she has something sincere to say
 —She'll never burden people with her problems, but is always ready to help others
 —She writes so beautifully and sensitively

Adele on Adele:

Other people have their lives planned out for them. I still have dozens of possibilities. There are so many things that I want to do. Four years of college don't seem like enough to study everything. All I know is that I'd like to do something really significant, something to change the world.

ROANN BARRIS—Salutatorian

As seen by others:

—She's so deep—there's so much to her
 —Her intelligence is almost overpowered by her sincerity
 —She's so creative that sometimes I feel lost

Roann on Roann:

Sometimes I feel like Holden in *Catcher in the Rye*—all mixed-up and at war with the world and the "phonies" in it. But it's hard and painful—to be idealistic. So then I take out my guitar and play it for awhile, or read or just stare out the window and daydream.

ADELE WOLFSON—Third Honor Speaker

ABBY BLOOM: OUR AFS'ER IN INDIA

... limited
... it first, how
much can I learn of a Eastern
culture in such a short time span.
My summer in India seems far
away now and the time I spent
with my family in Bombay has
served only to whet my appetite to
earn an experience and love a
people and an existence halfway
around the world.

For a short while I was actually
"Indianized"; I thought and acted,
not as a Westerner, but as an In-
dian teenager. India is now a
dream, but my eyes
lighten at the sight of a sari, and
the sweet ring of Indian bells re-
calls a visit to ancient caves, eat-
ing on the floor from banana
leaves, and the smiling faces of
my family and friends.

Bombay and the land of Bharat
are a world away, but remember-
ances of my American Field Ser-
vice experience will remain for
ever.

CARLO RUCCI

When I came to Lawrence it seemed very cold. I quickly lost its coldness and took on the personality of its own; with all its hardships and a great deal of spirit. My school life was difficult. Without the knowledge which everyone else had I found myself having to ask a great many questions. I have found American schools to be much more practical than the ones back home. Here you only take five subjects but in Italy you may take as many as twenty five. The amount of competition amazes me but in a way its good; at least it provides an incentive to learn.

My family and especially Billy have been wonderful. They have helped me enormously in understanding Americans and relations.

This past year I have developed a great deal of pride—pride for the Golden Tornadoes—and I shall never forget it.

Carlo Rucci contemplates American school life

VARSITY FOOTBALL

The coming of the 1961 football season saw the Lawrence Tornados at a new level as underdogs. Lawrence had just moved up to South Shore Division I, the toughest league in the county. Preseason practice placed Lawrence in fourth place behind several powers. East Meadow and Massapequa and the dark horse team, Sewanhaka. The team, led by head coach Mr. Jack Martilotta and other fine coaches, Mr. Pollard, Mr. Cimino, and Mr. Castagnaro, surprised everyone by finishing 1-2 second to East Meadow and a tremendous rating of fifth in the county.

Lawrence opened the season to everyone's surprise by trouncing a strong Sewanhaka team 4-0. The defensive team played a great game forcing four fumbles and pretty picking off three passes. The scoring was done by Chris Kyprianides, Wayne Lewis, Barry Gable, Brian Chiles, and Craig Martin. Both John DeLeo and Norman Kearney quarterbacked a fine game, each completing two touchdown passes.

The first home game against Uniondale was a very special one. It has been selected by WPIX as High School Game of the Week, and was televised live from Lawrence. Neither team was able to capitalize on a number of errors in the first quarter. Uniondale scored first and led 7-0 until Lawrence opened the second half with a tough ground attack that ended with Kyprianides scoring from one yard out. Martin's point kick made the score 7-7. Uniondale scored again but missed the extra point for a 13-7 lead. Lawrence came back with Chiles playing over from the yard line. Martin's conversion made the score 14-13. Norm Kearney intercepted a pass and ran for a touchdown making the final score 20-13 Lawrence.

Lawrence's next game was against the No. 2 team in the county, Massapequa. Trailing 24-6 at the half, Lawrence came back to win 26-26. Kyprianides scored the only first half touchdown for Lawrence. In the second half, great running by Chiles and Kyprianides, and good offensive plays led by John DeLeo brought the score up to 24-13 with Lawrence trailing by one. DeLeo again led the attack capped by a quick pass to Dorand Derris who scored for Lawrence with 36 seconds left.

Lawrence suffered its lone loss of the season against East Meadow, losing 26-0. East Meadow scored a touchdown in each quarter. Our offense was stopped by a tenacious defense. Coach Martilotta was greatly disappointed, and felt that the team had not played up to par.

The Tornados, vengeful after their loss to East Meadow, crushed their next three opponents, Vales Stream, Centon, Oceanside, and Baldwin 40-0, 16-0, and 32-6. As witnessed by the scores, the Tornado defense was superb. Kearney, Chiles, Kyprianides, Livingston, Martin, Caporusso, Lewis, and DeLeo all scored for Lawrence.

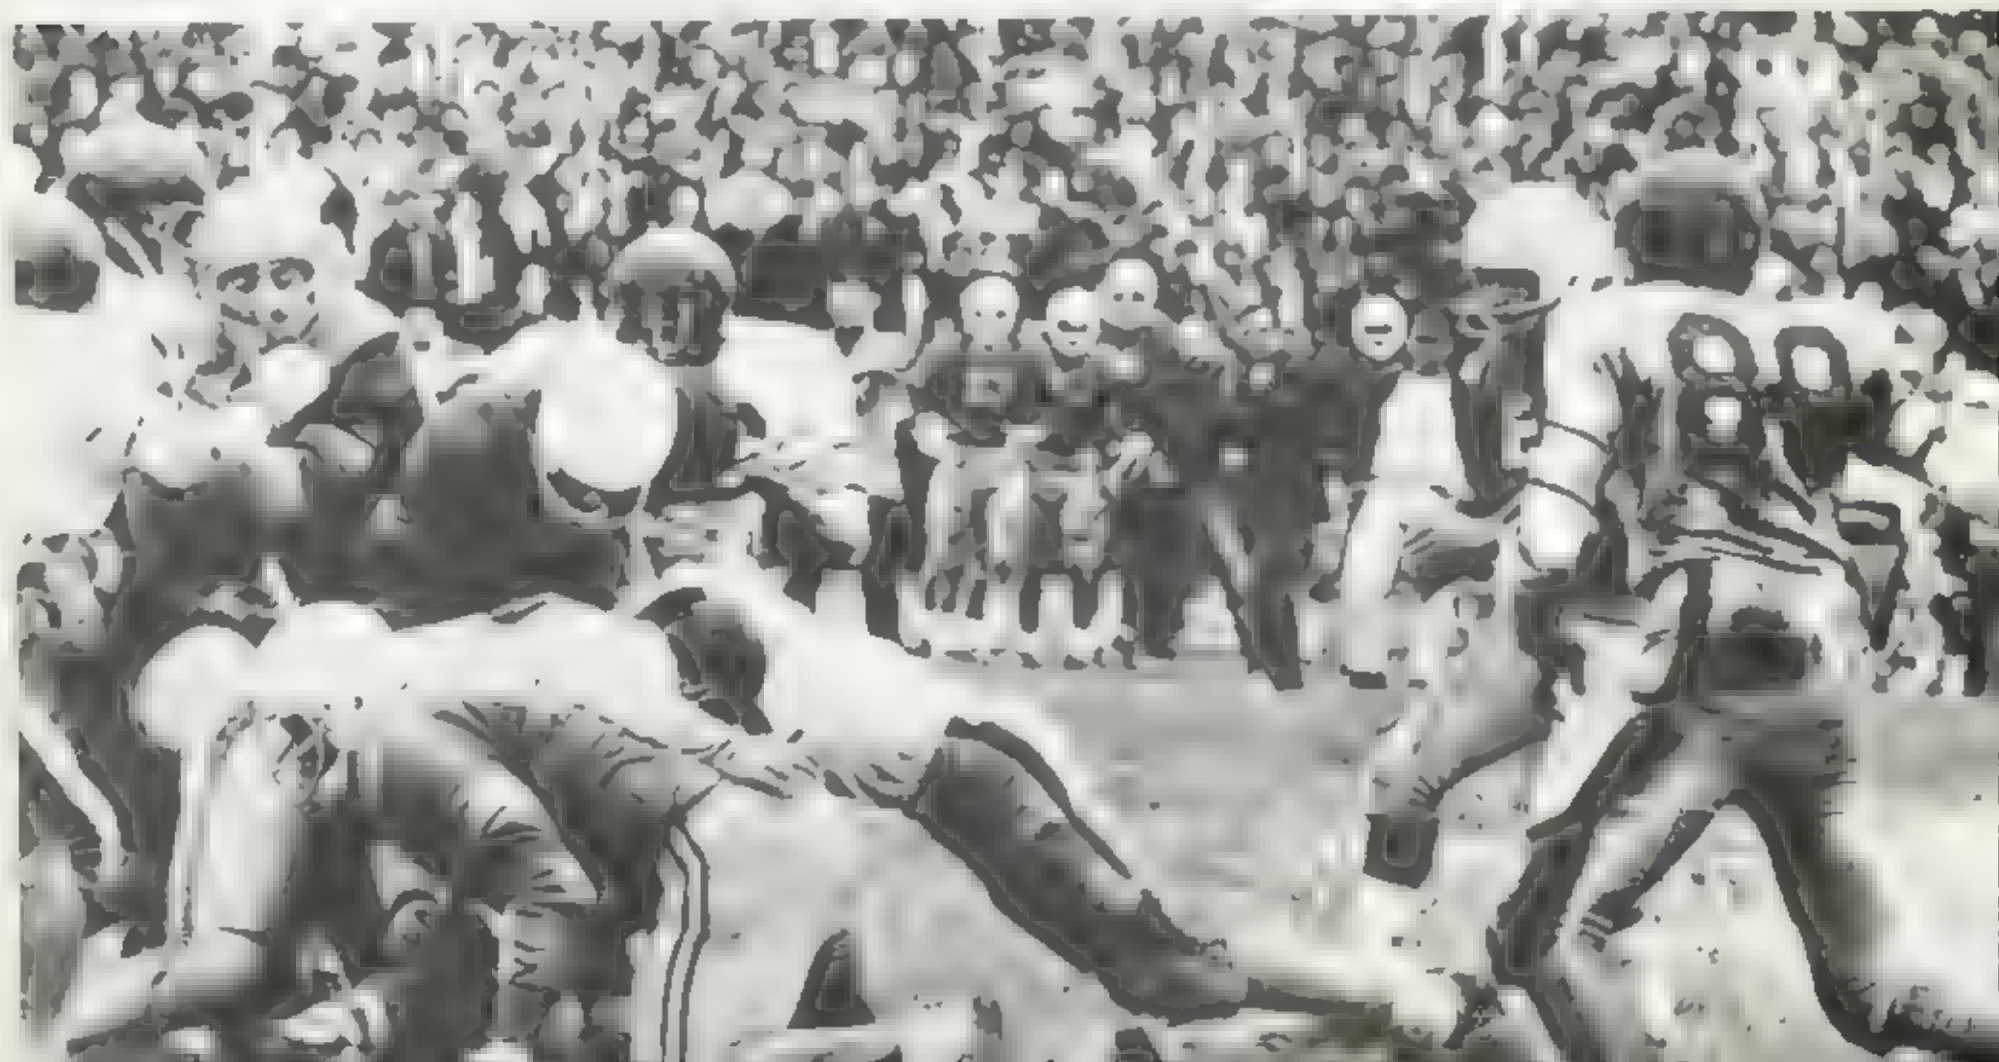

On a dismal, rain-soaked Thanksgiving Day, Lawrence traveled to Sewanhaka to defeat unbeaten Elmont in a close game, winning 14-13.

Receiving special honors were Mel Davis, Ed Genn, Chris Kyprianides, and Craig Martin, who were selected for the all-division team. Kyprianides and Martin were also selected for the All South Shore team. Kyprianides brought further honor to Lawrence by earning the All-County slot.

TENNIS CHAMPIONS

The Lawrence High tennis team completed its most successful season ever this fall. Under the able coaching of Mr. Greg Monahan the team went through the league season undefeated. Starting members were Larry Hirsch, Mike Balmuth, Eric Goldman at first, second, and third singles respectively. First doubles were Jimmy Gordon and Marc Weinstein and second doubles were Dave Bressman and Mitch Baron. Capable substitutes were Henry Kass, Rick Goodman, Steve Epstein, and Jim Pinke. In the first round of the tournament Lawrence defeated Kennedy by the score of 3-2. Winners for Lawrence were Hirsch, Balmuth, and the team of Bressman-Baron. Next in the path of the Tornadoes were defending South Shore champs Oceanside, who they defeated 4-1. Victors for Lawrence were Balmuth, Goldman, and the doubles team of Gordon and Weinstein and Bressman and Baron. In the finals Lawrence reached its peak with a 4½-½ victory over Carey High School, and so we became the South Shore Champs.

Lawrence then faced Great Neck South, the North Shore Champions and was defeated 5-0. Thus defeated by a strong team, Lawrence finished this season with a record of 14 wins and 1 loss, our most-successful season to date.

The cross-country team this year had a very promising outlook at the beginning of the season. But due to a few disciplinary problems, Mr. Bud Meredith's squad ended up with a record of 5 victories and 11 defeats. Special credit goes to Jan Tepper, top runner on the team, who finished 19th in the Section 8 championships.

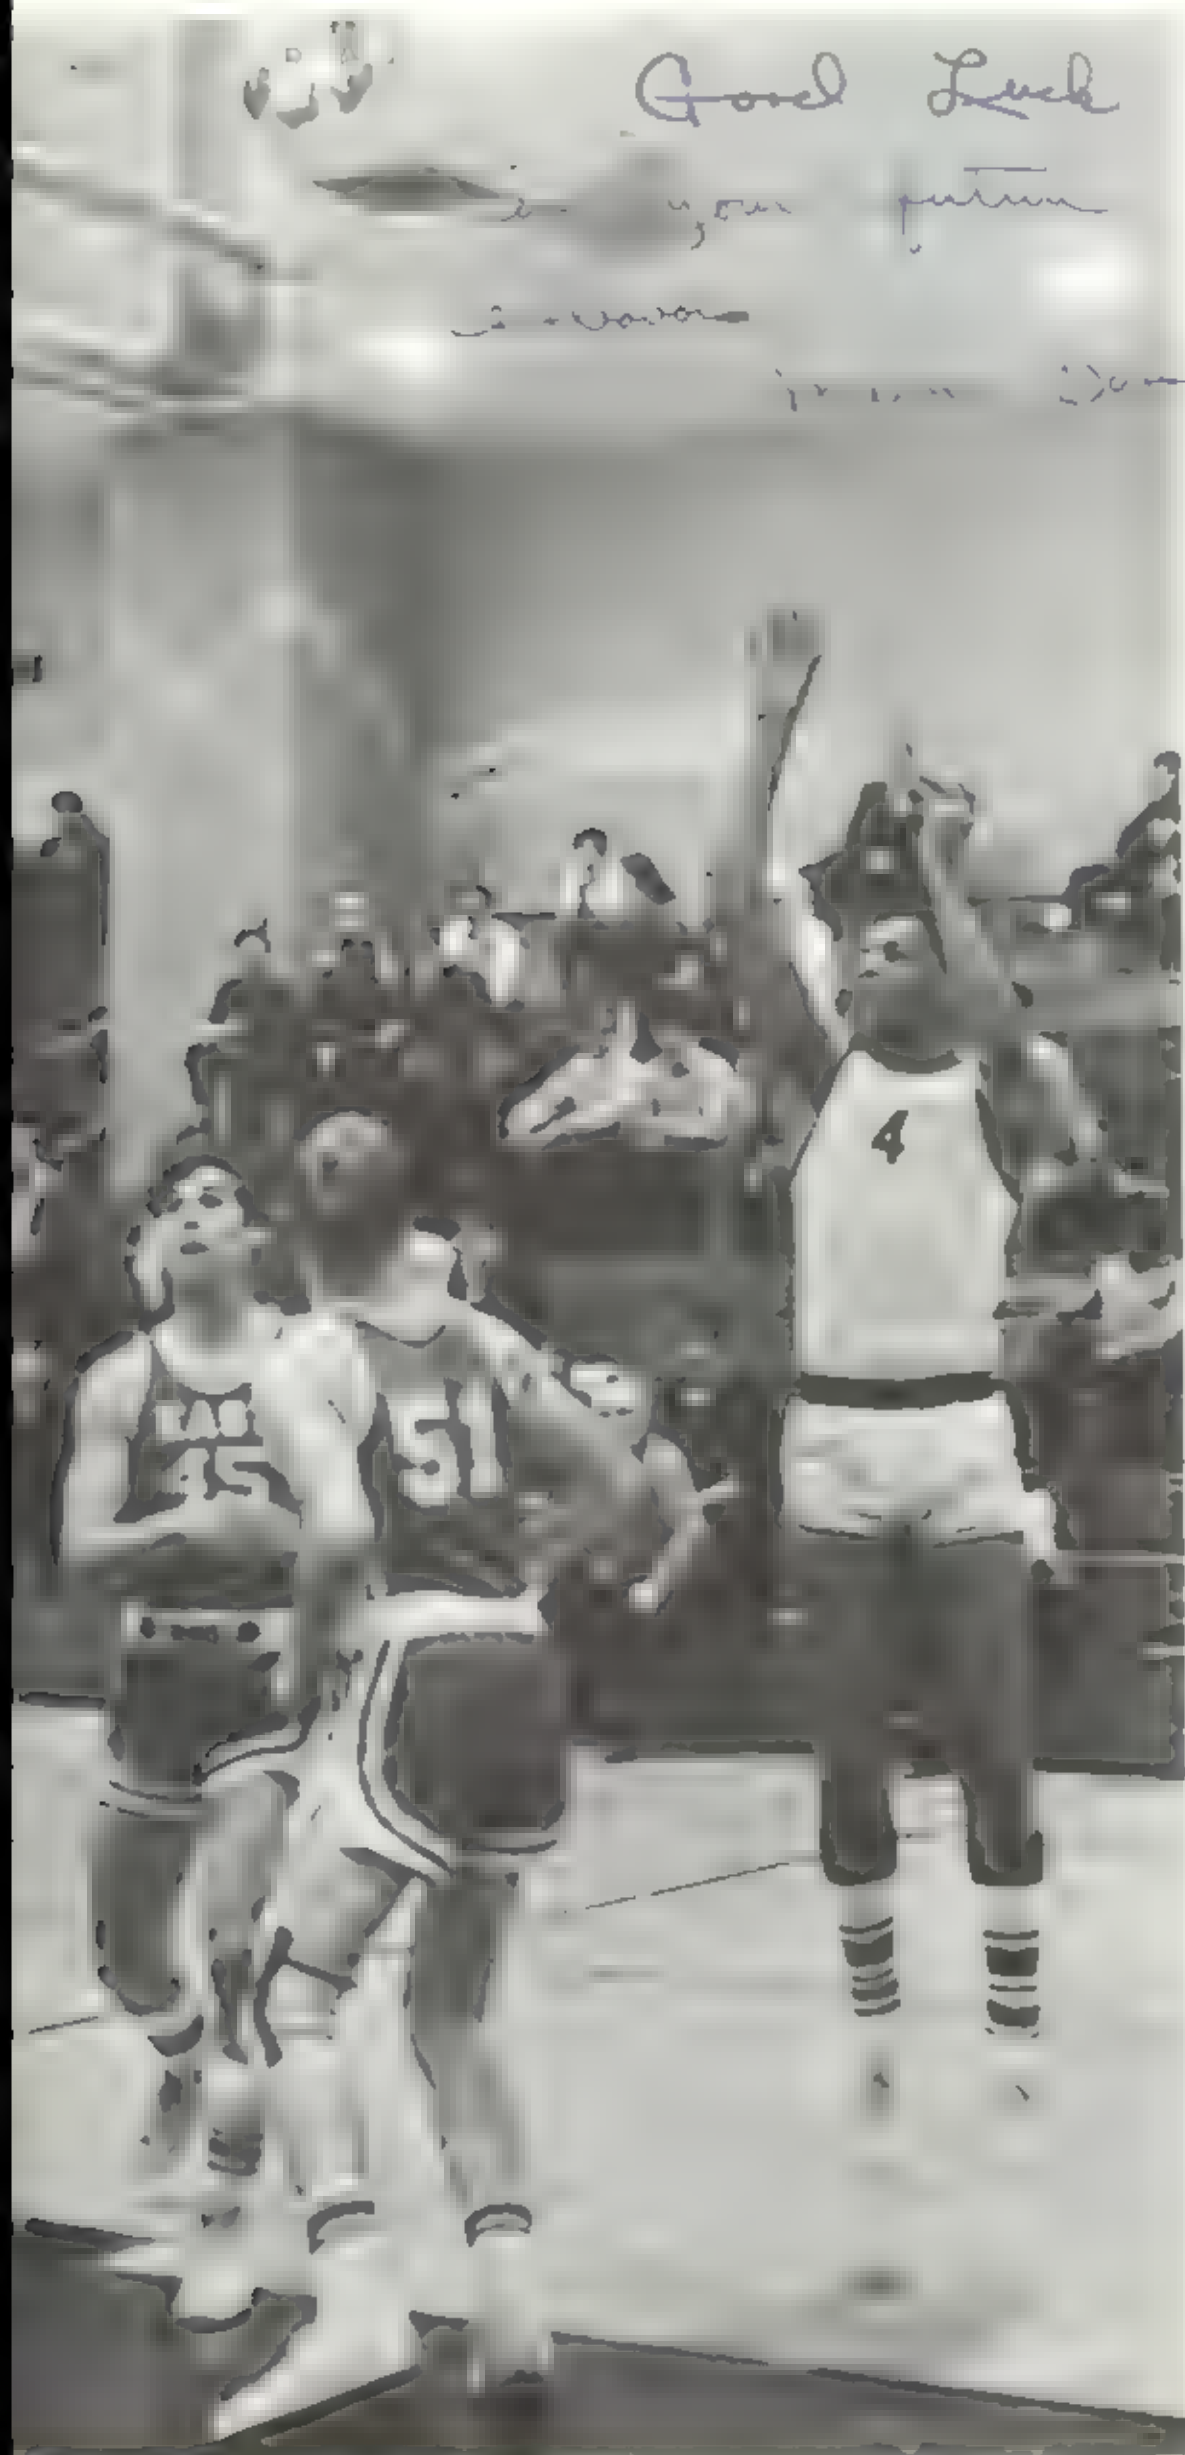

Mr. Meredith always told us that the boys on the bench were the most important.

Mel Sinks another and another and

At the beginning of the season Mr. Seger presented a daring statement, saying that this year's team was the finest he had ever seen, and he expected them to win the division championship and give an excellent showing in the country tournament. The team has done everything Mr. Seger predicted it would.

The Tornadoes played a tough four game non conference schedule. Lawrence opened up by defeating Levittown Memorial 60-48. The team showed a tremendous attack.

Lawrence then traveled upstate to Schenectady with Hempstead High to play in the Linton Tournament. Showing the effects of a long bus ride Lawrence ran out of gas in losing to Mount Pleasant of Schenectady 80-60. Outstanding for Lawrence was Mel Davis with 25 points and 25 rebounds. However the next night was completely different. Lawrence defeated Linton High by the score of 64 as they were led by Norman Kearney who had 25 points.

Lawrence came home to face perennial powerhouse St. Agnes. The game was close all the way, however the Tornadoes couldn't capitalize on several steals in the last few minutes and lost 61-59.

Lawrence opened the League schedule with Sewanhaka. Despite a last quarter rally by Sewanhaka, the Tornadoes won 48-43.

The next three games were characterized by tough defense, domination of the back boards and few mistakes as the Tornadoes defeated Baldwin 53-29, Massapequa 40-27 and East Meadow 52-38. In the Massapequa game Lawrence was led by Pete "Chip" Morton's 21 points. Lawrence broke open a close game in the third quarter against the Jets as Mel Davis totaled 20 points.

With the Tornadoes at 4-0 in the league, they met Oceanside for the league lead. Oceanside's tough man-to-man defense gave Lawrence problems throughout the game. However, the team slowly built up a lead of 8 points and maintained this lead throughout the game. Lawrence showed fine scoring balance with Kearney, Baron and Davis all in double figure. The final score was 53-45.

Lawrence subdued traditionally powerful Uniondale 47-45 in overtime. The tough Lawrence defense held high scorer Phil Rogers to 17 points and kept the physically stronger Knights off the boards. In the overtime period Norm Kearney stole the ball for a layup and converted two foul shots to "ice" the game.

Lawrence met Valley Stream Central, conqueror of Uniondale on their court. However, the game was no contest as the second team got much playing time. Final score, Lawrence 60—Central 36. "Chip" Morton had a fine game totaling 20 points.

The team faced Sewanhaka again, the winner of four straight games. However, the Tornadoes maintaining its poise in the "match-box" gym won 54-43. It was again a strong team effort with Brian Childs playing a good defensive game.

Lawrence then defeated Baldwin and Massapequa easily. In the Baldwin game, everyone scored, with the final score 61-40. Lawrence reached its season high against Massapequa in winning 73-32.

Lawrence misses?
No, it was Uniondale!

Since the Tornadoes were leading third they received a bye in the first round of the tournament. As had occurred last year, the team faced an old rival Uniondale. The game was played at Valley Stream, N.Y. Uniondale led by the five starters, Phil Rogers and Robinson. The game was tied at the end of the first half. In the second half at Mel Davis' point the Tornadoes came alive in the second half and perked away at Uniondale's basket and the score at 15-11 all at the end of regulation time. Neither team scored in the first overtime period. In the second overtime period Uniondale picked up a rebound and scored 5 points with 21 seconds left. However, the determination of the team which had showed all year slowed up. The Tornadoes tied the game and it went into a third overtime period. Both teams, playing very continuously, failed to score during this period. However, at the beginning of the fourth overtime period, Donald Denis substituting for Pete Morton who had fouled out popped in a short shot. Dave Baron stole the rebound pass and sank a shot from the edge of the key and made it a three point play. He added a fourth point on a technical foul on Uniondale's Rogers. Norm Kearney boosted Lawrence's lead to 59-52 on a pair of free throws Uniondale scored four points in the closing seconds. Outstanding for the Knights was Phil Rogers who had 31 points. The Lawrence team was led by Mel Davis with 22 points and Baron with 14 points.

Lawrence next faced the Lynbrook Owls at Massapequa in the semi-finals, and went on to win the County Championship.

It was a hard day at the track.

The winter track team, coached by Mr. Peter Gault, had a reasonably successful season. After some warm-up meets in the city, the team competed in its two most important meets. In the South Shore Relays the team's key men, Gary Meyer, Rudy Alzola, Jon Einsinger, and Jan Tepper, took third place. In the big meet, the Nassau County Relays, the fourth place team, Mike Spikes, Barry Gault, and George Martin, finished second. Also the Sprint Medley team, Mike Alzola, Rudy Alzola, Jan Tepper, and Jon Einsinger, took third place.

WRESTLING

"Shall we dance?"

Coach, I feel sick.

The wrestling team this year was vastly improved over last year's team. Although the team ended up with a loss of 1-11, the school body showed much greater interest. The team registered victories over Southside, Oceanside, New Haven, and Long Beach. The following members have an opportunity to win their respective division championships: Craig Weinerman, Vinnv Pecora, Tommy Pecora, Bert Acamondo, and Sam Livingston. Prospects for the future are bright with Tom Pecora, Tom Monahan, Ken Simon, and Joe Barnett returning.

*In putting together a yearbook, there
are so many people who don't get
proper recognition. We would like
to take this opportunity to thank
them for their co-operation and
patience.*

*To — the Polivy Family — for giving
up their home to Lawrencian.*

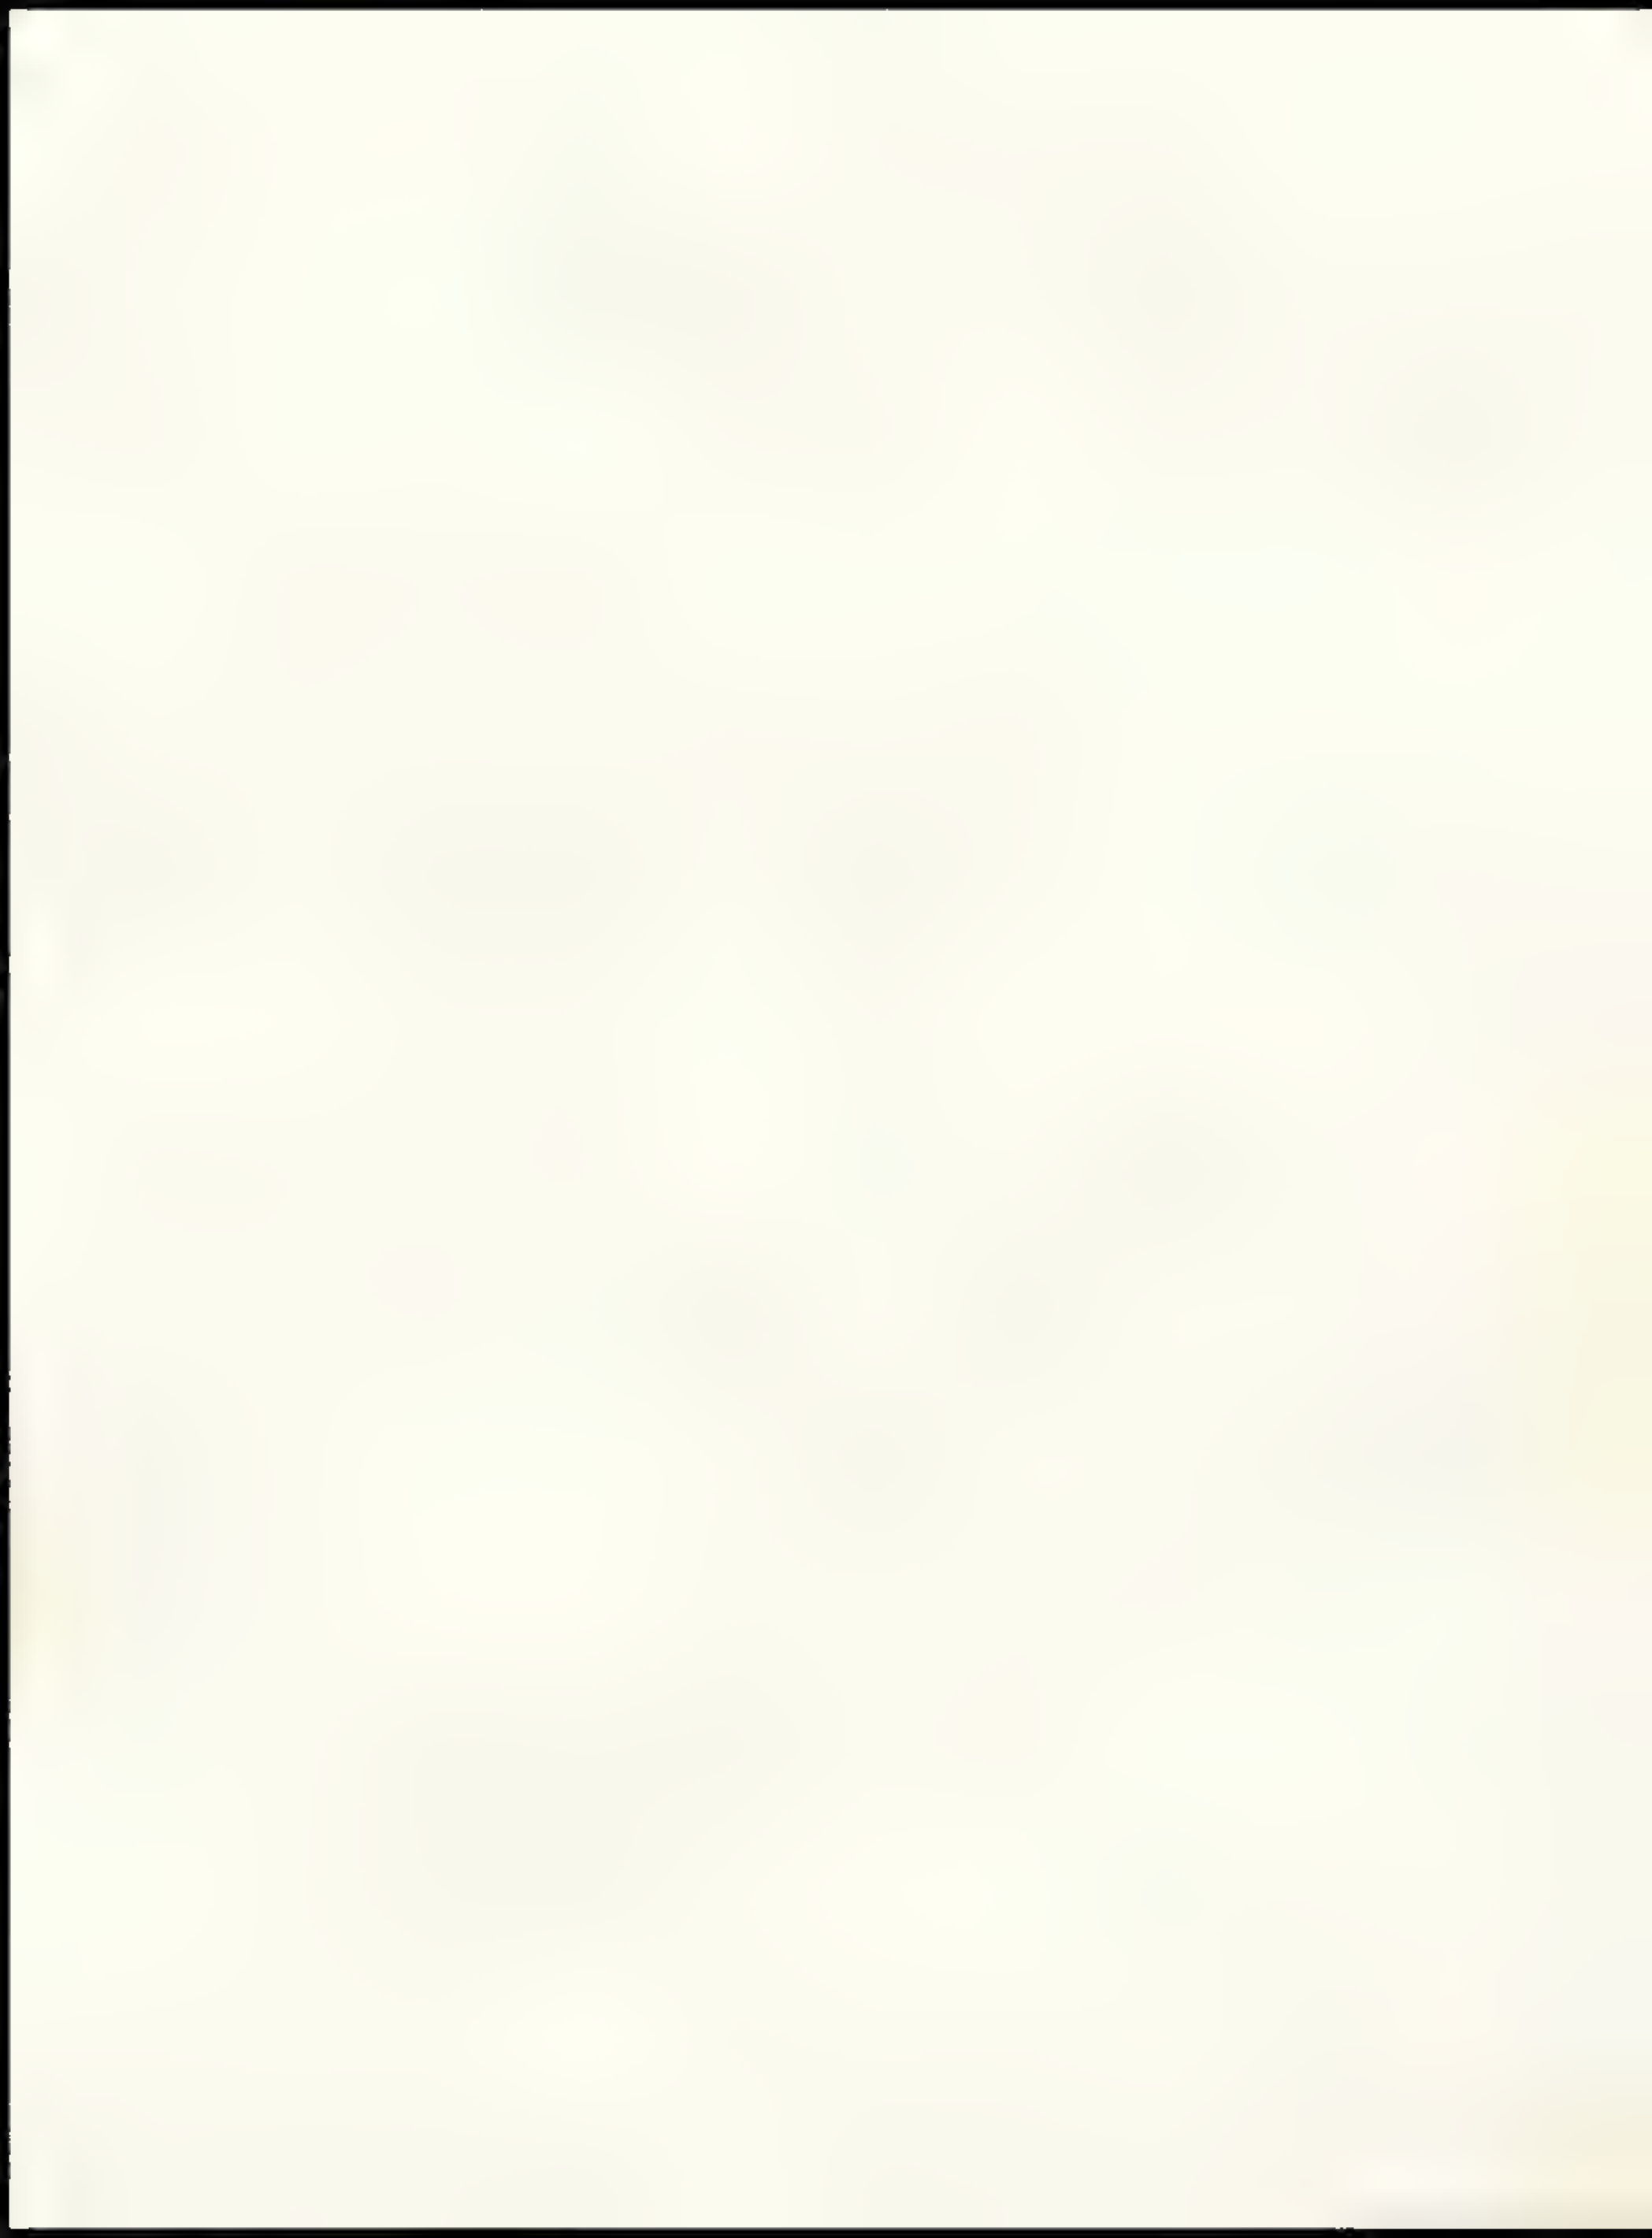

*To — Andrea Levy — For marvelous work
when we needed her.*

*To — Cindy Gray, Barbara Stein, and Cindy Warren
for devoting so much of their time and energy.*

To — Robert Epstein — for his pictures.

Thank You.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) and is projected to increase by a further 1.5 million by 2010 (Office of National Statistics 2000). The number of people aged 65 and over in the UK is projected to increase from 10.5 million in 1999 to 12.5 million in 2010, with the number of people aged 75 and over increasing from 4.5 million to 5.5 million in the same period (Office of National Statistics 2000).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (2000) has identified the need to develop a 'new paradigm' for the care of the elderly, one that is based on the principles of 'active ageing' and 'positive ageing'.
